ALUMNI NETWORK BROCHURE

A MESSAGE FROM THE PRESIDENT

Dear Friends,

I am delighted to introduce you to the LVMI – Europe Alumni Network.

Firstly, I would like to thank you for your past work and dedication to our Institute, which allowed it to function efficiently and grow in the past years. It was through your willingness to work, overcoming difficulties, showing initiative and pronouncing new ideas that we have achieved everything so far.

Establishing and maintaining meaningful relationships with our alumni is a key measure of success. While we are very happy with the results of our hard work so far, we are keenly aware that our continued growth depends also on the support and encouragement from our previous employees.

Therefore, we are always eager for opportunities of collaborations with our old friends, new contacts and organisations. In order to keep up with the institute and with each other, the LVMI – Europe is launching its Alumni Network, in which I would be happy to see each and every one of you again.

I hope you have a wonderful holiday season and I look forward to meeting you!

Mrs. Annette Godart – van der Kroon

President of LVMI - Europe
